Omicron Delta Kappa

Omicron Delta Kappa is a national leadership honor society. It was founded in 1914 at Washington and Lee University on the idea that leadership of exceptional quality and versatility should be recognized. Since its beginning, ODK has believed that representatives of every phase of college life should participate in a mutual endeavor of understanding, interest, and helpfulness. Thus outstanding students, faculty, and administration members from all areas of academics are selected each semester for membership into Omicron Delta Kappa. Members are chosen not only on the basis of scholastic achievement, but also for their leadership contributions to the campus and the university community.

Five areas of achievement offer criteria for evaluation of prospective members. They are scholarship, athletics, social and student body activities, publications, and the arts. ODK Membership is a mark of honor and excellence. Each month the circle holds dinner meetings with distinguished guest speakers, and each semester Omicron Delta Kappa and Mortar Board co-sponsor a Forum Series to bring prominent speakers to the University.

Officers were Kenn Beeman, President; David Cowart, Vice President; and David Jackson, Treasurer.

As stated in the constitution, the purpose of the Association for Women Students is "to deal effectively with matters concerning women students." This is accomplished primarily through services and programs oriented toward women students. Another aspect of the AWS is to provide opportunities for involvement to women students.

All women enrolled as students are members of the AWS. This year membership was also opened to males interested in the purpose of the AWS. The purpose of the organization remained the same; only the membership was changed.

The AWS has been quite active this year in its presentation of programs and projects. A few of these have been the Freshman Study Program, the Female Cancer Program, the Memphis Women's Gymnastic Team, and the Memorial Blood Drive. In November, Ole Miss was the location for the AWS Bi-State Convention. Women's Awareness Week was held in January and included such guests as Maureen Reagan, Nina Rose Hatfield, and Maura McIntosh.

The Senate

L to r: Coleman, Jennings, North.

The University of Mississippi Campus Senate is the legislative branch of the Associated Student Body. Composed this year of fifty-one students elected from fifteen districts, the Senate provides a forum through which student needs are discussed and acted upon. It serves as a check on the authority of the ASB Executive Branch by approving the student government budget for each semester and by approving all major appointments made by the ASB President. But, the most important aspect of the Senate is that it serves as an opportunity for students to show initiative in becoming involved in student government. During the 1976-1977 ASB Administration, the Senate worked with the Executive Branch and university officials in a united atmosphere to establish needed programs for Ole Miss students. In addition, the Senate initiated a senate meeting exchange program between other university student governments in the state, invited Chancellor Fortune to address the Senate on University activities, conducted a parliamentary procedures workshop for its members, and stressed the openness of its meetings by meeting in the Union.

Associated Graduate Student Body

L to R: Hackett, Lowe, Burke, Vilutis, Langford.

The object of the AGSB is to encourage and facilitate graduate interdepartmental communication, to serve as a liaison between the departments of graduate study and the University administration, and to encourage a sense of professional pride, prestige, and unity. Any person enrolled in the Graduate School of the University of Mississippi shall automatically be a member of the AGSB. Representatives from each department of graduate study attend executive council meetings every two weeks. During these meetings, problems, solutions, and policy-making decisions affecting the graduate student are aired.

Freshman girls are interviewed by a board and are chosen on the basis of poise, appearance, personality and GPA. Projects for the forthcoming year include sponsoring a Boy Scout troop at the Mental Retardation Center, assisting with the Red Cross blood drive on campus and in the community, "adopting" an elderly woman at the retirement home, collecting canned foods for needy families and performing several services for the Arnold Air Society and AFROTC cadets.

Dixie Week

April 4-10, 1976

The Farmer's Almanac provided an optimistic meteorological report and Ole Miss organizers responded with a souped-up roster of events in launching a bicentennial Dixie Week. The accepted attire for the seven day campaign was a T-shirt that proclaimed the theme "From Dawn's Early Light Till Saturday Night."

The musical score for the week was provided by a potpourri of performers catering to a variety of tastes. Henry Gross was greeted by all Dixie Week participants who had not succumbed to sickness after Monday's ice cream sundae party, the first big event of the week. Eli and Confunetion, as well as several other regional bands, provided almost continual background for the grove-centered pageantry. To top it off, Jerry Jeff Walker and Jimmy Buffet corralled all Rebel Red Neck Mothers up against the wall of Tad Smith Coliseum in Wednesday's foremost event.

Food was assigned the same high station in the schedule of Dixie Week events that it occupies in the minds and stomachs of most Ole Miss students. However much of the time, it was going on you rather than in you, as in the case in the watermelon cutting and pie-throwing extravaganza. Shrimp, this year of the unspoiled variety, and beer on tap highlighted Friday's invasion of Sardis.

JIMMY BUFFETT JERRY JEFF WALKER

Whether it was the greased pig chase, skateboard competition, or tobacco spitting duel, there was so much going on that events frequently overlapped. The Kreskin act and fireworks display were two performances that "semi-coincided." While the rockets' red glare dazzled the spectators at the band field, Kreskin dazzled a captivated crowd at Fulton Chapel with the help of a task force of volunteers.

Saturday's feature event was the Red-Blue game, though the lure of Sardis was equally attractive. But whether it was previewing Rebel football or just catching rays, the Dixie Weekers did turn out in force. The usual Fraternity Row festivities completed this unique '76 celebration of America and Ole Miss.

Homecoming '76 proved to be most memorable for all involved. Spirits were high as flags rose to greet the Rebels. Bowl scouts had come to see the Georgia Bulldogs prepare the way for another head shaving, but instead saw them fall to the victorious Rebels. Half-time activities included the first campus showing of the new band uniforms and the crowning of Mari Martinez as Homecoming Queen by Conley Cox, President of the Mississippi Alumni Association.

Celebration was the order of the evening as the Rebels set out to party. The bands' music echoed late into the night as party-goers drifted home to end a successful day.

Colonel Rebel & Miss Ole Miss

George Stuart & Donna Gresham

In November of 1976, the politically-oriented students of Ole Miss returned to the ballot boxes on campus. This time they chose "A Rebel . . . for Colonel" by electing George Stuart as Colonel Rebel and voted for Donna Gresham as Miss Ole Miss because Donna and Ole Miss were "Made for Each Other."

George is originally from Jackson, Mississippi; however, his parents have lived in Dallas, Texas, for the last three years. A senior majoring in Management with a degree in Business Administration, George is a Campus Senator and a member of Sigma Alpha Epsilon. SOCCER

Disappointment described the Soccer team's season as it failed to make the playoffs for the first time in four years. A wide open offense produced exciting team play and resulted in several high scoring games and come-from-behind efforts. The scoring leaders were Mike Morrison with 12 goals, ranking him 3rd in the league, and Kirk Renn with 8. Player-coach Bill Buren had 8 assists placing him 3rd highest in the league. New records that were set included an 8 goal high in the Meridian contest and a season high of 38 goals in 12 games. Prospects for next season's Rebel soccer club look promising with 8 out of 11 starters returning, several of which will be in their 3rd season.

In its third year at Ole Miss, the Rugby club is gaining interest and support. Still only a club sport and funded through the P.E. Department, it nonetheless represents the spirit and interest of Ole Miss students who still play a sport for the fun of playing it. The team plays clubs from other states in the area and participates in the Mardi Gras Tournament in Hammond, La. Last year the team placed 14th out of over 60 teams. After a disappointing fall, the Ruggers have hopes for a better spring.

The Ole Miss Rifle Team had a successful fall with a 12-3 match record and if everyone progresses well, this spring should be even better. The Rifle Team is a volunteer organization consisting of any student capable of shooting. It participates in regular matches with other schools, tournaments or "shootouts," and postal matches which means mailing targets shot here to other schools for comparison. The main events planned for the 8 man team include the Magnolia Classic, the Mardi Gras Tournament, and the SEC Shootout.

FOOTBALL

This season the Ole Miss Rebel Football Team took their fans for a roller-coaster ride with a long last downhill roll. Beginning the season with high hopes for a Sugar Bowl berth on New Year's Day, there were immediate problems. Looking for Bama, we forgot Memphis State, only they did not forget us. Now looking for Bama for real, we left the Bear looking for a way to start the season at the second game. Going to #16 in the polls after mauling Tulane and Southern, we met Auburn in Jackson and as they squeezed by us, we were squeezed out of the top 20. Next, the #4 ranked Georgia Bulldogs visited Hemingway Stadium for our homecoming. How sweet it was as Georgia received their only defeat of the regular season and Ole Miss returned to #16. Remembering last year, we went to South Carolina only to leave with new memories of controversy. One can only pity Vandy as they caught us on our last uphill run. Then came the fall, and fall we did to LSU, Tennessee, and State to finish without any Sugar or even a bowl with a 5-6 record. Now for next season, with some new faces off the 4-0 JV team, we hope to come back once again and become prominent as a football power.

OLE MISS 16 AT MEMPHIS STATE 21

It was a game that was really two, or so it seemed. In the first half, Memphis State fumbled 6 times and lost 5, while we lost only 1 of 3 to lead at the half 16-6. It must have been opening game jitters causing the fumbles as the field was not that bad. The second half was just the opposite as we lost 3 of 4 fumbles to Memphis' 1 of 5. The Rebels were held scoreless while the Tigers scored 15 to win 21-16. High points of the game were supplied by two freshmen. Hoppy Langley kicked 3 field goals, 2 from 45 yards, and barefoot Jim Miller averaged 45.3 yards a punt to show that we have a kicking game for the next four years.

ALABAMA 7 AT OLE MISS 10

Defense. That's right, *DEFENSE*. That was the name of the game as #4 ranked Alabama came to town to open their season. In the first quarter, George Stuart intercepted a Jeff Rutledge pass at the Bama 20 and did not stop until he had put the Rebs on top 6-0, with the PAT 7-0. Stuart was named the National Lineman of the Week for his performance in this game. Neither offense could move the ball so the half ended 7-0. In the second half, Bama came storming back to tie the game at 7-7 in the third quarter. Then early in the fourth quarter Hoppy Langley booted a 34 yard field goal to make it 10-7, the final score. Helped by Miller's punts that consistently backed Bama into its own goal line, the defense, which lost Lawrence Johnson for the season, played a tremendous game.

TULANE 7 AT OLE MISS 34

High scoring by the Rebels, but the game was not as exciting as it sounds. In what seemed like a practice scrimmage, the Rebels gained almost 400 yards and scored at will. The defense played well as usual, and the only Tulane score came on a kickoff return with the score 34-0. What was interesting was that on the ensuing kickoff Michael Sweet returned it 99 yards for a Rebel TD but that was called back for a penalty. Reg Wonnard led the Rebs rushing as he gained 135 yards subbing for Sweet.

OLE MISS 28 AT SOUTHERN MISS 0

Another high scoring game by the Rebels, but it was against a team that did not win until its last game of the season. With a touchdown in each quarter, the Rebs had control all the way. What was strange was that with us on their 2 yard line Southern called time with 1 second left in the game. This meant another play had to be run to end the game and we scored as a result to make the score 28-0. Sweet led the team with 111 yards rushing for the night. Unfortunately, that was overshadowed by Gary Turner's injury which sidelined him for the rest of the season.

AUBURN 10 AT OLE MISS 0

Ole Miss was 3-1 and ranked #16 in the country going into this game with the Auburn War Eagles. We were 3-2 and unranked leaving it. The name of this game was NO! offense; we gained only 80 yards the whole game. The defense did well, holding Auburn under 200 yards total offense, but the lack of an offense, a kicking game, and two fumbles late in the game deep in our territory was too much for them to overcome.

GEORGIA 17 AT OLE MISS 21

Homecoming at Ole Miss: Beautiful girls, parties, excitement, and football symbolize our homecoming, and this year was no exception. Playing the best they played all season, the offense clicked and the defense held as we upset #4 ranked Georgia for their only loss of the season. Stung twice, early in the game, by two long TDs, it looked like a long afternoon for the Rebels. But late in the second quarter, down 14-3, we struck back. Recovering a fumble at the Georgia 25, Ellis punched it in for a TD. A successful 2 point attempt pushed the score to 14-11. A 9 yard punt on Georgia's next possession set up a 36 yard TD pass to Woullard. Halftime arrived with Ole Miss leading 18-14 and many unbelieving fans on both sides. The Rebels traded field goals in the second half to hold on to a 21-17 upset victory.

OLE MISS 7 AT SOUTH CAROLINA 10

This game will be remembered for controversy. Going into the game ranked #16, riding high with the win over Georgia, and having revenge in their hearts from last year, everyone overlooked South Carolina. Playing inspired ball SC held Ole Miss to only 4 yards rushing in the second half after only 52 in the first. But the game centered around one play. Ole Miss had the ball at the SC 10, Woullard took a pitch around end and headed for the goal. Around the goal line he was hit and went down in the end zone, but the ball was elsewhere. SC recovered and held on for the win. The question remains, did Woullard cross the goal line before he fumbled? Not only did we lose the game but injuries attacked again as Michael Sweet was sidelined for the rest of the year.

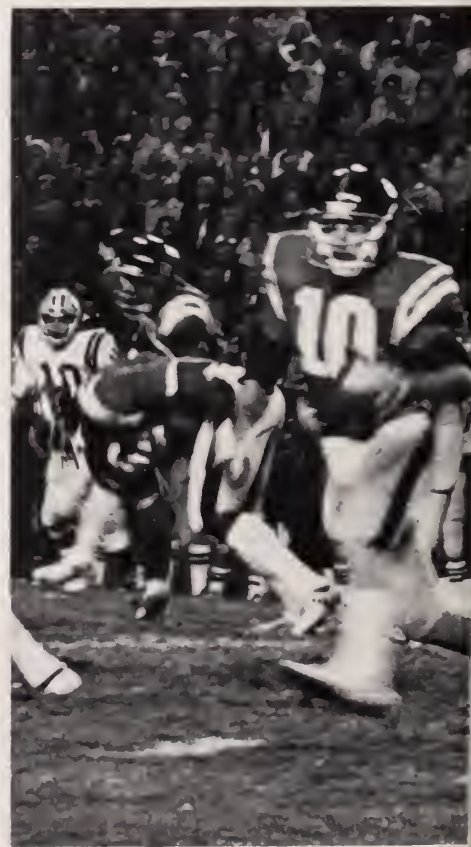

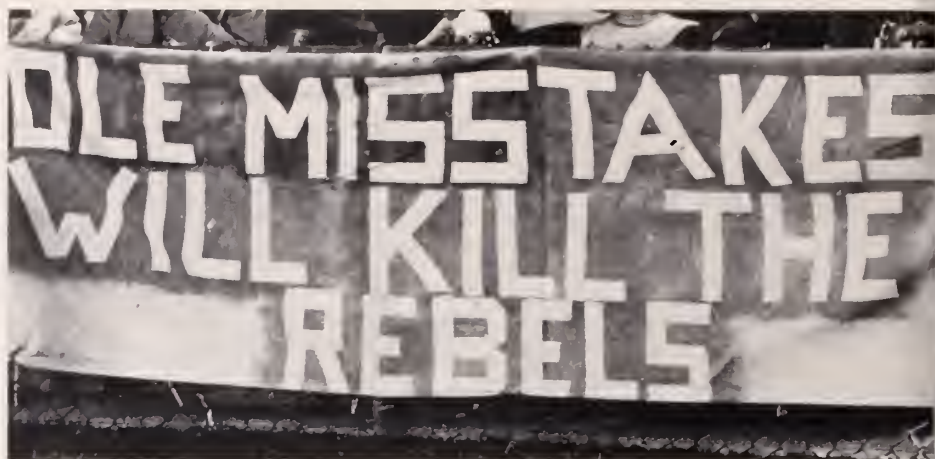

OLE MISS 20 AT VANDERBILT 3

In a sloppy ballgame, Ole Miss beat hapless Vanderbilt. With each team turning the ball over 5 times, one wondered if either team wanted to play. Fumbling on our first two possessions, it looked bad for us but Vandy could not capitalize. The half ended with Ole Miss leading 6-3, but it was still anybody's game. The second half saw Ole Miss score 14 points to win 20-3 but it was unimpressive except for freshman Leon Perry who ran for 129 yards and a TD.

OLE MISS 0 AT LSU 45

The Rebels entered the Tiger Den with a 5-3 record, but before we left our season was over as we never recovered from this loss. Our nationally ranked defense forgot to keep the Tigers from scoring, not that it mattered as our impotent offense did not forget how *not* to score. Turnovers again were a key but we were thoroughly whipped anyway.

OLE MISS 6 AT TENNESSEE 32

Even having two weeks to prepare did not help the Rebels as they played "give UT the ball" with 10! turnovers. It is to the credit of the defense though that UT only scored 5 times. Ellis was injured and did not play as Bobby Garner ran the misfiring Rebel offense this day.

OLE MISS 11 AT MISSISSIPPI STATE 28

Now 5-5 on the season, Ole Miss was fighting for a winning record against the 8-2 Bulldogs. Jumping to a 3-0 lead, Ole Miss fell behind 6-3 at the half. Still in the game at the start of the second half, it was State that came out firing to go ahead 16-3 after three quarters and to win 28-11. This left the fumbling Rebels 5-6 for the year and looking at a long winter.

BASEBALL

1976 was an interesting season for the Ole Miss Baseball Team as it finished exactly .500 with a record of 18-18-1, the tie coming on account of darkness. The year started slowly but the team built up steam as the season progressed. Mike Pomeranz, the first baseman, led the way at bat with a .304 average. Pete Ladd led the pitchers with his 1.74 ERA. After the season, Ronnie Russell, the left fielder, and catcher Danny Starr were named to the All Western SEC Division all-star team. Looking forward to this spring, the Rebels appear to be strong and have high hopes for a successful season.

MEN'S BASKETBALL

After a very disappointing basketball season last winter, the Athletic Department felt that it was time for a change so they hired Bob Weltlich as the new head coach. Having just helped coach a national championship team, he caused hopes for a good season for the Rebels to abound. Installing his motion offense, a much more patterned one than had been used before, Coach Weltlich has already improved the record over last year's and is fighting for a winning season. It looks like the Rebels will be heard from before the SEC title is decided, at least as a spoiler as we have progressed well. Several freshmen have done well, particularly John Strond, but next year our five seniors will be sorely missed. It does look like Ole Miss will begin to be reckoned with in the SEC in the years to come.

The Lady Rebels Basketball Team is so far this season the winningest team we have on campus. Not only are they 15-4 at this time, but they have just beaten the #1 ranked team in the country, Delta State, by a score of 73-72. Having been an intercollegiate sport for only three years, the Lady Rebs gained varsity status last spring. Having gone 14-8 and 19-8 the last two years, Coach Pam Davidson's charges are looking at their best season ever and have high hopes and a good chance of going to the National AIAW Tournament this year. Led by All-American candidate Sheila Sullivan at guard with a 19 point average, the Lady Rebs have good balance as four others score at 9 or more points per game. Added height, a strong bench, and good recruiting have spelled the difference this year and we can only expect even better results in the years to come as only Sheila and Louise Renick, a starter last year, graduate; leaving plenty of good players on hand.

1976 was a banner year for the Rebel tennis team. Improving their match play to 15-5, the Ole Miss netters enjoyed one of their best seasons ever. The highpoint of the season was when they won the Mississippi Intercollegiate title for the first time since 1949. Going into the SEC Tournament, the Rebels received their first ever #1 seed when the Peter Marks-Bill Davis doubles team received this honor. Something happened in the tourney though as the Rebels finished tenth. But things look even better for this spring as only Peter Marks was lost to graduation and several new, talented players have been added.

They are senior Susan Toler, Juniors Ann Hampton and Missy Ruff, and sophomore Lynda Sneed. The Lady Rebs expect help from freshman Tommieile Dean and transfer Jody Bennett. After opening its schedule with Alabama and MUW, the Rebels will host the State Intercollegiate Tourney in April. Hosting the tourney should enhance the Rebs' chances of qualifying for the Regional Tourney at Florida State. Hopes for a good season are very high for the Lady Reb netters.

VOLLEYBALL

The Ole Miss Lady Rebel Volleyball Team under new head coach Lin Dunn and assistant Cheryl Holt posted an impressive 22 and 14 record. The Lady Rebels were led by Junior Captains Trice Flair and Sandra Wells. They employed a balanced attack using four hitters and two setters. Freshman Cathy Casteel provided a new "Power" punch to the offensive front line while 6'2" Susan Benvenuti provided the extra height needed on defense. Ole Miss finished 2nd in the State Tournament, losing to MUW in the finals. The Rebs advanced to the Region III Tournament and became the "surprise team" as they finished 4th out of ten teams from Alabama, Florida, Georgia, and Mississippi. Next year looks good as the Lady Rebels will have everyone returning and recruiting is going very well.

GOLF

Looking ahead to this spring, Coach Ray Poole says he probably has his best group of golfers ever. This experienced group should perform very well after coming off a 3-2 match play season, one in which the linksters captured first place in the Delta State Invitational. Two linksters, Johnny Lang and Maxie Cupit, have captured Mississippi's two top titles this year, winning the State Amateur and State Open Tournaments respectively. With these men back and the new additions, one can expect an improvement on last spring's seventh place finish in the SEC.

History

Founded in 1877 in the rampagous minds of a few omnipotent New Orleans women, Alpha Sigma Sigma is the oldest women's professional sorority. Alpha Sigma Sigma represents the totality of a new era of Greek organizations. A.S.S. chapters are in Paris, Las Vegas, Monte Carlo, and Chicago with eleven locations in New Orleans. Being the most profitable of any woman's society, Alpha Sigma Sigma is dedicated to the philosophy that all mankind shall rise.

PRO SCIENTIA ET SAPIENTIA

It has to — and soon. Because in a few decades we're going to run out of natural gas and oil. So we must start to put more of our eggs in a different energy basket now. Coal and nuclear generated electricity is our best hope for an energy-abundant future.

Depending more on electricity now

will mean we can stretch our supplies of gas and oil for essential uses — for airplane fuel, for use in industry.

Depending more on coal and nuclear generated electricity and using that electricity efficiently can give us an

energy independent future and keep the wheels of our civilization turning.

The all-electric day is dawning

IN MEMORIAM

YOUNG JOHN McGAHA

Dr. Young John McGaha began his academic career, in the Department of Biology at the University of Mississippi, in 1950. A guiding force in the development of an extensive research program in limnology and ichthyology, Dr. McGaha, in his twenty-six years at the University, published more than thirty papers on those subjects and directed the studies of twenty-five Master of Science aspirants and five Doctor of Philosophy candidates in those disciplines. He responded with diligence and dedication to requests, which came as a result of his research, that he serve as a consultant to T.V.A. and to the U.S. Corps of Engineers. The Gulf Coast Research Laboratory, an institution performing research in marine biology, in fact, owes its existence to the persistence and foresight of Professor McGaha and his associates throughout Mississippi. Indeed, as a consequence of his unselfish service and devotion, the aquatic division of the Department of Biology is now recognized as the finest in the state.

Dr. McGaha held charter membership in three Ole Miss honoraries — Sigma Xi, the society for the encouragement of scientific research; Phi Kappa Phi, the University's highest academic honorary; and Beta Beta Beta, the Biology Departmental Honor Society. And to Y. J. McGaha, membership was identically equal to active participation. Professor McGaha assisted in the creation of the Senate of the Faculty, an organization which serves the needs and articulates the concerns of both the faculty and student body. Shortly after his retirement in the spring of 1976, "Professor *Emeritus*" status was bestowed upon him by Chancellor Porter L. Fortune, Jr. Even though his manifold achievements and contributions are cause for contemplation, the students in his classes during the last twenty-three years of his teaching career will remember Dr. McGaha first for his unique brand of instruction in Comparative Anatomy.

His friends among the ranks of students, faculty, and administration of the University of Mississippi suffered a significant loss with his death on October 27, 1976. To express our heartfelt gratitude for his many services and to call attention to the passing of a great one whose time with us was all too brief, Ole Miss dedicates the 1976-77 *OLE MISS* to the gregarious and unpretentious nature and warm spirit that were YOUNG JOHN McGAHA.

JOHN LUCAS
EDITOR

My year as editor has drawn to a close. Some parts I'm glad to be done with; others I'll sorely miss. It's been fun and hectic, amusing and serious, somber and enlightening. However you categorize it, this year would not have been nearly as successful without the dedication and hard work of the staff of the *Ole Miss*.

My thanks go out to Mr. Bob Towery, our advisor, and to his secretary, Mrs. Frances Smith, who not only put up with our impossible demands but was able to fulfill them.

This year has been one of change and, I think, improvement for the *Ole Miss*. With the addition of 64 pages over last year's annual, we were able to expand all sections, and create a new section entitled *Events*.

In closing I would again like to extend my sincere thanks to all those who so unselfishly devoted their time and energies to make the 1977 OLE MISS a success.
